Hi everyone.

Just to keep everyone updated.

PLF signed lease with DIA on Tuesday 3/8. Lease must now be approved by council etc. Should be rubber stamped.

Kathryn Works (Denver lobbyist) is meeting with DIA Dir. DeLong next Tues to go over plans. Leo Burnette is supposed to get artist drawings to either Mostellar or Works.

Kathryn and I will meet with councilwoman Reynolds when she returns to review plans.

Purcell is working on our contract with plf.

Just in case everyone did not hear. The DIA opening is now pushed back to 5/15/end of forever.

KETRINA OR BARBARA -- what is the status of accommodation signs for directionals? Did you get camera ready copy to david?
